

Help Elect a Member of Our IFPTE Family: Derek Milligan

Brother Derek Milligan is running to represent Kansas House District 94. Derek is a proud member of SPEEA/IFPTE Local 2001, serves as SPEEA's Midwest Legislative and Public Affairs Chair and has gone to Topeka multiple times in the last few years to fight for workers' issues.

Derek stands with IFPTE and working families in providing opportunities for all Kansans. He will fight for:

- **Eliminating Grocery Tax** - Putting more money in the pockets of hard-working Kansans
- **Defending School Funds** – Protecting teachers and students against future attacks on public school resources
- **Expanding Medicaid** – Providing access to more families in need of healthcare coverage

Now more than ever, it is critical that we elect people at every level of government who understand the challenges being faced by working families.

IFPTE Endorses One of Its Own, Derek Milligan for Kansas Legislature

*Milligan is a long-time member of
SPEEA/IFPTE Local 2001 and
SPEEA Midwest Legislative and Public Affairs Chair*

WASHINGTON, DC – IFPTE is proud to announce our endorsement of SPEEA/IFPTE Local 2001 member and SPEEA Midwest Legislative and Public Affairs Chair Derek Milligan for the Kansas legislature. Milligan is running to represent Kansas' 94th House District.

IFPTE's executive officers provided the following comments:

“Derek has proven his effectiveness and his commitment as a fighter for working Kansans in his role as our Legislative and Public Affairs Chair,” said IFPTE President Paul Shearon. “He is well-known in Topeka as a tireless advocate for his union and its members. IFPTE is proud that he is running for the Kansas House and we are happy to support him as not only one of our own, but also as a union supporter through and through.”

IFPTE Secretary-Treasurer/Legislative Director Matt Biggs also commented, saying “It is obviously great to see that a strong member of the IFPTE family is seeking state legislative office in Kansas. When elected, I have no doubt that Derek will bring his union card to work with him each day by fighting for robust collective bargaining rights for workers across the state, and the creation of good, union represented jobs.”

In addition to his union advocacy, Derek has also served the Democratic Party as a Precinct Committeeman. After witnessing firsthand the damage caused by Sam Brownback and his anti-worker friends in the state legislature, Derek decided to fight back and began volunteering to help elect Democrats up and down the ballot.
